

## CHECKLIST

### Your official Hedgehog Walk checklist

#### 1. Setting up

- Download your Hedgehog Walk Activity Sheets
- Get a parent or guardian to join you

#### 2. Preparing for your Hedgehog Walk

- Pack your favourite wildlife toy for your journey!
- Pack your bag with water and some snacks
- Get your sturdy footwear and seasonal clothes ready

#### 3. Whilst you're there

- What wildlife can you see using our spotting sheets
- Help the wildlife by picking up any litter that you see lying around

#### 4. Being careful

- Take care of wildlife when out spotting! Make sure you take photos but leave things where you found them.

Most importantly, we hope you have a wonderful time enjoying the natural world on your Hedgehog Walk and thank you for helping nature recover. Even if you can't get somewhere wild, there's always things to spot - check for 'weeds' growing through pavement cracks, birds on buildings and beetles in bricks!
